

## SELF PAYMENT POLICY FOR UNINSURED PATIENTS

### **SELF PAYMENT POLICY FOR UNINSURED PATIENTS**

Thank you for choosing Coastal Women's Healthcare. We believe that good care starts with good communication. This policy was created to help clarify the financial responsibilities you and your family will have when establishing care at our practice.

Upon scheduling your appointment, you will be connected with a member of our Billing Team. They will provide you with an estimate based on the type of appointment you are being scheduled for. Coastal provides a 40% discount to our Self-Pay patients, this discount will be applied to your estimate. If additional tests are needed, and not included in this estimate, you will be billed for these services with the 40% discount following your appointment. Charges billed are based on the time and complexity of your visit. We do our best to provide a realistic estimate however, the balance due may be more or less than your estimate based on services rendered.

Payment for estimated services are due in full at the time of your appointment.
